

Suitability of Staff

EYFS: 3.9-3.18, 3.20-3.26

We are fully committed to ensuring that all staff, including students and volunteers are suitable to work with or be in regular contact with children. We have systems in place to ensure that this includes making a decision about suitability, as part of the recruitment process and monitoring continued suitability, as part of regular staff or student supervision.

The school office manager is responsible for ensuring that all staff and students have an enhanced check with the Disclosure and Barring Service (DBS), and that the results of such a check are assessed as part of a decision on suitability. Staff will always have the checks completed prior to starting employment.

We recognise that the enhanced DBS disclosure is only one part of a suitability decision and nursery management will ensure every individual working with a child goes through a vigorous recruitment and induction procedure (as laid out in the safe recruitment policy). We will also ensure they receive continuous support, training and supervision from management in order to provide a safe, secure and healthy environment for all children in the nursery. We act on any information that comes to our attention that suggests someone may no longer be suitable for their role.

All students will also receive an interview to ensure they are suitable for the nursery and an induction process to ensure they fully understand and are able to implement the nursery procedures, working practices and values. All students will be fully supervised to ensure they receive the appropriate support, training and information they may require.
